Speaker Profiles

Lynn L. Bergeson is Managing Director of Bergeson & Campbell, P.C. Lynn counsels clients on a wide range of issues pertaining to chemical hazard, exposure and risk assessment, risk communication, and related legal and regulatory aspects of conventional and nanoscale chemical regulatory programs under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), the Toxic Substances Control Act (TSCA), the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) regulation, and on issues pertinent to the domestic and international regulation of nanoscale materials, nanotechnology, and other emerging transformative technologies.

Charles M. Auer is President of Charles Auer & Associates, LLC. Charlie was former Director of EPA's Office of Pollution Prevention and Toxics (OPPT) from September 2002 to January 2009, where he was responsible for the management and direction of the nation's chemical and pollution prevention programs. Prior to heading OPPT, Charlie was Director of the Chemical Control Division from 1992 until September 2002. Prior to that time, Charlie held numerous leadership positions in what was then called the Office of Toxic Substances. Charlie is affiliated with Bergeson & Campbell, P.C. and its consulting affiliates, The Acta Group, L.L.C. (Acta) and The Acta Group EU, Ltd (Acta EU).

James V. Aidala is Senior Government Consultant with Bergeson & Campbell, P.C. Jim served as Assistant Administrator (AA) for the Office of Prevention, Pesticides, and Toxic Substances (OPPTS) under the Clinton Administration from 2000 until the end of the Administration in 2001. Prior to serving as AA, Jim was Associate AA for OPPTS from 1993 to 2000. Prior to that, Jim served in various positions within the Congressional Research Service, on Capitol Hill, and at the U.S. Environmental Protection Agency (EPA).

James C. Lamb, IV, Ph.D., DABT, is Principal Scientist and Center Director with Exponent. Dr. Lamb has extensive experience in toxicology, risk assessment, and scientific and regulatory policy. Dr. Lamb has provided consulting services to numerous clients for over 20 years. Prior to Exponent, Dr. Lamb served as Special Assistant to the Assistant Administrator for Pesticides and Toxic Substances at EPA. Dr. Lamb was the Head of the Fertility and Reproduction Group at the National Toxicology Program.
